

President's Message

Maureen Coleman

Welcome to the third season of this our 50th Anniversary Year. By now you will probably be sitting in front of this very impressive set that we have constructed and we hope that it will set the scene for what is to follow. We have had tremendous support from the businesses listed below and we thank them very much for this.

Also we must thank John Irvine the set designer/constructor for his many hours of dedication to this set.

Our next and final production for this year is to be a pantomime "theme" not fully decided upon, but if you saw Kucom's production of "A Christmas Pudding" in 1990 then you will have some idea of what we intend. Something merry and bright for the lead up to Christmas.

Please enjoy this play we present this evening and we look forward to meeting you after the show.

Kucom would like to thank

Director's Notes

Once again Kucom Theatre invites you to relax and enjoy a new play. Theatre per se' is all about creating magic. First comes the playwright's story. The director reads it, likes it, casts the characters, and after some weeks of rehearsal, the magic emerges.

The world of movie star Blair Griffin, and the people in her life at this moment of time, is created. We ask you to step into that world

now.
