President's Message

Sue Stock

Another year at Kucom has slipped by rather too quickly. We have chosen productions with variety in mind and all have been well received. "The Murder Game" a psychological thriller was our first production and this was followed by "The Anniversary" which played in the Space at the Mackay Entertainment Centre as part of "The Race to the Space" series.

The third production was a collection of 3 one-act plays under the title "Sex, Love and Marriage". Like "Once in a Blue Moon" all these shows require a lot of time and energy from those involved. As president I wish to thank the committee and Kucom members for all their efforts during 1994.

We also thank you our audience for your support and hope we will see you again next year.

I wanted to present a play that a lot of people could have a lot of fun with. I didn't foresee the problems and obstacles that we had to overcome, but by all pulling together, we succeeded and still managed to have a ball.

I wish to thank all the Kucom members, their families and friends who have worked so hard behind the scenes. Kucom is essentially a club. The team spirit was evident from the start of rehearsals.

This play is the result of all the goodwill, encouragement, commitment and support of its members. I'm very pleased and proud to be part of such a wonderful club.

Now slip back with us into the 70's and watch the fun begin.

KUCOM Theatre wish to especially thank
