ABOUT THE CAST

JOE HUTCHIESON (Alf Cook) makes his first appearance with the Theatre. Joe has appeared with the Bundaberg Amateur Players, where he appeared in "Double Image" and "Mother Goose". In Goulburn he appeared with "The Liedertafell Group" in "My Three Angels" and "Present Laughter".

NORM GREEN (Whacka Dawson) needs no introduction to Mackay audiences, being a well known Producer and Actor. Norm is also our Director and has produced many shows, including "Sailor Beware" and "See How They Run".

MOYA HUTCHIESON (Dot Cook) has also appeared with the Goulburn Liedertafell in "Diary of Ann Frank" and with the Bundaberg Players she produced "Carousel", "Mother Goose" and "Puss in Boots". We extend a warm welcome to this Husband and Wife team and hope to see more of them in future.

ABOUT THE SHOW

"The One Day Of The Year" is one of the most important Australian plays of recent years and has had a success equal to "The Summer of the Seventeenth Doll" and "The Shifting Heart". It has been performed in London as well as in all States of Australia, including a Queensland Country Tour several years ago under the auspices of the Arts Council. (Mackay was omitted because a theatre was not available.)

Although this play is very Australian, it has a universal theme—the conflict between generations—and its success is no doubt due as much to this as to its undoubted technical competence.

In rehearsal we have found this a very satisfactory play, as we hope you will find it in performance.
