About the Theatre

The Mackay Community Theatre was founded in 1947, to bring to the public of Mackay dramatic entertainment of a good quality. Since 1947, the Theatre has presented four plays a year. We do not say that all of them were popular with everybody, it is impossible to please all of the people, all of the time. Nevertheless, Mackay has shown, by attending our plays, that they appreciate our efforts.

Like other organisations, we need more active members! Active members do not have to appear on the stage, unless they want to. There are any number of back-stage jobs to be done. Why not complete the form below, and hand it in as you leave the Theatre.

I am interested in:
