Stage Crew	Rita Cockerel, Les Ping, John Fuller, Jimmy Kelly
Lighting	Roy Cowan and Greg Paten
Sound	Les Ping
Costumes	Judy McGuin and Helen Shin
Prompt	Monica Augustine
Props	Nika Warrenner

Tonight's producer, Ray Riordan, is a most versatile person, is also a most competent stage manager, set designer and wardrobe master

Tonight's Cast

ESMA KEAN: A very experienced character actress and producer. Always a pleasure to see her performance. "Arsenic and Old Lace" being among her best

HEATHER WORLAND: A well-known radio personality and a most capable actress. You will remember Heather in "Bell, Book and Candle" and "The Reluctant Deb"

MAURFEN FULLER: Best known for her "Momma" in "The Shifting Heart", has also appeared in Mackay Musical Comedy

SANDRA TAYLOR: A newcomer to the boards, made her debut in our recent Rockhampton "festival entry", "The Claw," produced by Maureen Fuller

MARIE CAFFREY: Known in Mackay as a cookery expert. Her Sybil is, indeed, a dainty dish

TOM SLATER: Has made quite a reputation on the Mackay stage. Probably best known for his "Gino" in "The Shifting Heart"

JOHN FULLER: This is John's third play as an actor. "See How They Run" and "Doctor at Sea" were the others. His Captain Hogg was a beauty, yet John finds it difficult to get a part. Because he is such a competent and willing back stage worker, we try to hold him for that job

MIKE SHARWOOD: The man servant in "Uncle Vanya", has had quite a lot of experience in musical comedy

TOM LANCASTER: Adds yet another feather to his cap with his Winkelkopf.

DENIS TEEFY: A complete newcomer to the stage, yet I am sure you will agree with me when I say "this man is a butler"

COMING ATTRACTIONS:

ON TO SYDNEY CAMPAIGN, Revue, September

Mackay Musical Comedy Players' "PYJAMA GAME", 7th, 8th, 9th, 14th, 15th and 16th November

The committee sincerely wishes to thank Stefan for hair pieces, Leo Hartley for spectacles, all people who have kindly loaned us furniture and properties, also those people who gave of their valued time and enthusiasm to this production
