DIRECTOR'S NOTE

The performance you are about to witness is the first in the history of the Mackay Community Theatre which will run for a season of three nights. This is a significant step forward in the progress of your theatre and is indicative of the increasing support given by the people of Mackay. Still greater extensions of your theatre activities are planned, and the first of these, as you will see in this programme, is a series of three one-act plays, which will be presented on stage for one night only in February, 1961.

In order to keep pace with our planned extensions, it is vitally necessary that we enrol new members in the theatre to replace those who are constantly leaving on transfer, etc. A further addition which we hope to incorporate, will be a pantomime, which will be presented on stage at the latter end of each year. To stage this successfully, many new members, both young and old, will be required.

If YOU would like to participate in our productions either as an actor, stage-hand, lighting man, or any of the other capacities of our theatre which are crying for enthusiasts, then I would sincerely appreciate it, if you would telephone me at 4671, or contact our secretary, phone 2484.

Signed, C. PAULL.
